

STATEMENT OF PURPOSE

RS23239

This proposed legislation amends 46-1101 through 46-1187. The purpose is three-fold: 1) it updates the Idaho Code of Military Justice (ICMJ), which has not been updated since 1975; 2) it brings consistency and uniformity by adopting the Model State Code of Military Justice to Idaho; and 3) it resolves several glaring gaps within the current ICMJ.

FISCAL NOTE

Any fiscal impact related to this legislation would be directly funded by the federal government under Title 32. No additional appropriation or spending authority through the state budgeting process is required to satisfy the requirements of this legislation.
